

Tiger Koo's Martial Arts Promotional Examination

KENDO

I understand that belt promotions are awarded only when specific standards of performances are met. In the event that I may not perform to the satisfaction of the testing official(s), my belt promotion may be delayed until further progress has been demonstrated. If, I do not achieve the desired degree, I may retest for that degree on the next promotion test date. I understand that promotion standards are uniform and that each belt degree reflects a specific level of competence.
